REQUEST FOR CORRECTED OFFICIAL FILING RECEIPT

Application Processing Division
Customer Correction Branch

Patent & Trademark Office
Washington, D.C. 20231

Sir:

The official Filing Receipt received by our office on February 3, 1999 lists the title as "**Method and System for Generating Objects for a Multi-Person Virtual Wo**". However, the correct title is "**Method and System for Generating Objects for a Multi-Person Virtual World Using Data Flow Networks**". The inventor listed as **L. Harvill** should read **Young L. Harvill**. Also, the Filing Receipt lists the number of Drawings as "0", however, the correct number of Drawings is "7". I have provided a copy of the Filing Receipt with the changes noted thereon, and also a copy of the return-receipt postcard evidencing the received drawings by the PTO. Applicants respectfully request that these changes be made and a corrected Filing Receipt be reissued in the above-identified application.

Respectfully submitted,

Dan Christen
